LED Auxiliary Lights – Model 6048
# 0647101

Product Information ⌄

Description	Model 6048 - 12/24V LED Multi-Colour Warning / Signalling Light
Height	77.95 mm / 3.07 in
Width	138.50 mm / 5.45 in
Depth	53.90 mm / 2.12 in
Shape	Rectangular
Outer Lens Material	Polycarbonate
Housing Color	Black
Minimum Operating Temperature	-40 °C
Maximum Operating Temperature	65 °C
Connector or Wiring	3' Cable with Integrated Connector
Additional Information	(Red/Blue/Amber/Green)

Product Dimensions ⌄

Electrical Specifications ⌄

Input Voltage	12-24V DC
Operating Voltage	9-16V DC
Transient Spike Protection	330V Peak @ 1 HZ-100 Pulses
Black Wire	Ground
Red Wire	Red
Blue Wire	Blue
Yellow Wire	Amber
Green Wire	Green

Additional Specifications ⌄

Warranty	Please refer to the Warranty Statement which is available for download on the website
Pack Quantity	1
